

When the Keys School Lower School campus parking lot is full, you can find parking on Middlefield Road, Towle Way, and Cowper Street behind Hoover Park (walk through the park and enter our campus through the back gate - you can find the code on your KeysNet Resource Board under “Lower School Information”). Parking is also available on Sutter Avenue, however, please use caution as there is no crosswalk on this section of Middlefield Road.

When parking, please be careful not to block the bus stop beside the South campus entrance/exit. And we ask that you always show consideration for our neighbors by driving safely and not blocking driveways.
